

## Pole Mount Clamps

The Pole Mount Clamp allows you to mount a wide range of equipment to an array of different objects such as Telecom poles, Lighting columns, Pipes etc.

The Pole Mount clamp has been designed to allow for banding straps (not included) to wrap around the brackets and the designed mounting to allow secure mounting of equipment.

The Pole Dome Clamp is available in 2 sizes; 120mm x 110mm and 160mm x 125mm.

A variety of different of colours are available upon request.
